

SAVE TROY DAVIS!

Troy Davis, an innocent man on Georgia's death row, has been given an execution date of September 21, 2011. Troy's last hope is that the Board of Pardons and Paroles will move to grant Troy clemency. While it may seem like Troy's fate is beyond our control, we still have a chance to fight for Troy's life. Come to a talk and discussion about Troy's case and the steps necessary to free him.
