

# A World to Win:

## Why We Need a Revolution

Tuesday,  
Feb. 21st

5PM

African American  
Cultural Center Library  
2nd floor of Addams Hall

*The World is in Revolt!* From the Occupy movement to general strikes to the revolutions in the Middle East. Can these revolts become a force that radically transform society for the better?

Join the **UIC Socialists** for a discussion of how the fights for reforms are essential, but ultimately a revolution is needed to organize the entire world anew. A world based on meeting the needs of the majority, not the needs of the parasitic 1%.
