SOCIALISM

Ideas for Changing
the World

Revolutionary politics, debate and entertainment

"The young people at the conference took me back in time to when you were ready to stand for what was right. It lets you know that what you may have planted years ago will come to reality today. I feel great to have become a part of it."

—Dr. John Carlos,
1968 Olympic bronze
medalist who raised
the Black Power salute.

Join us for more than 100 talks on issues such as:
